

RESIDENTIAL PROJECTS

Central Glass repairs and replaces all types of glass products including:

- ◆ Broken Windows
- ◆ Broken Door Glass
- ◆ Decorative Glass Panels
- ◆ One Way Glass
- ◆ Frosted Glass
- ◆ Reflective Glass
- ◆ Laminated Glass
- ◆ Safety Glass
- ◆ Obscure Glass
- ◆ Tinted Glass

In some cases, we are able to offer same day service on replacements since we manufacture insulated glass units in-house.

WINDOWS AND DOORS

Central Glass is able to repair or replace glass in your windows and doors. We provide top quality products, installed by experts, and are able to repair cracked glass without removing the frame. Replacing your windows can increase the energy efficiency of your home, especially since we utilize Low E Glass, and will also increase the resale value of your home.

SOUND CONTROL

Looking for sound control in your home? Central Glass has glass products that will meet your needs, as well as any local building codes, for high noise environments.

MIRRORS

Custom mirrors are our specialty. We offer a variety of types of mirrors, including Wall Mirrors, Vanity Mirrors, Decorative Mirrors, and Bathroom Mirrors. We use all types of glass to make your home a showplace and can even stack shelving in the mirror to achieve a "floating" look.
